Öltöztesd fel a kislibát!

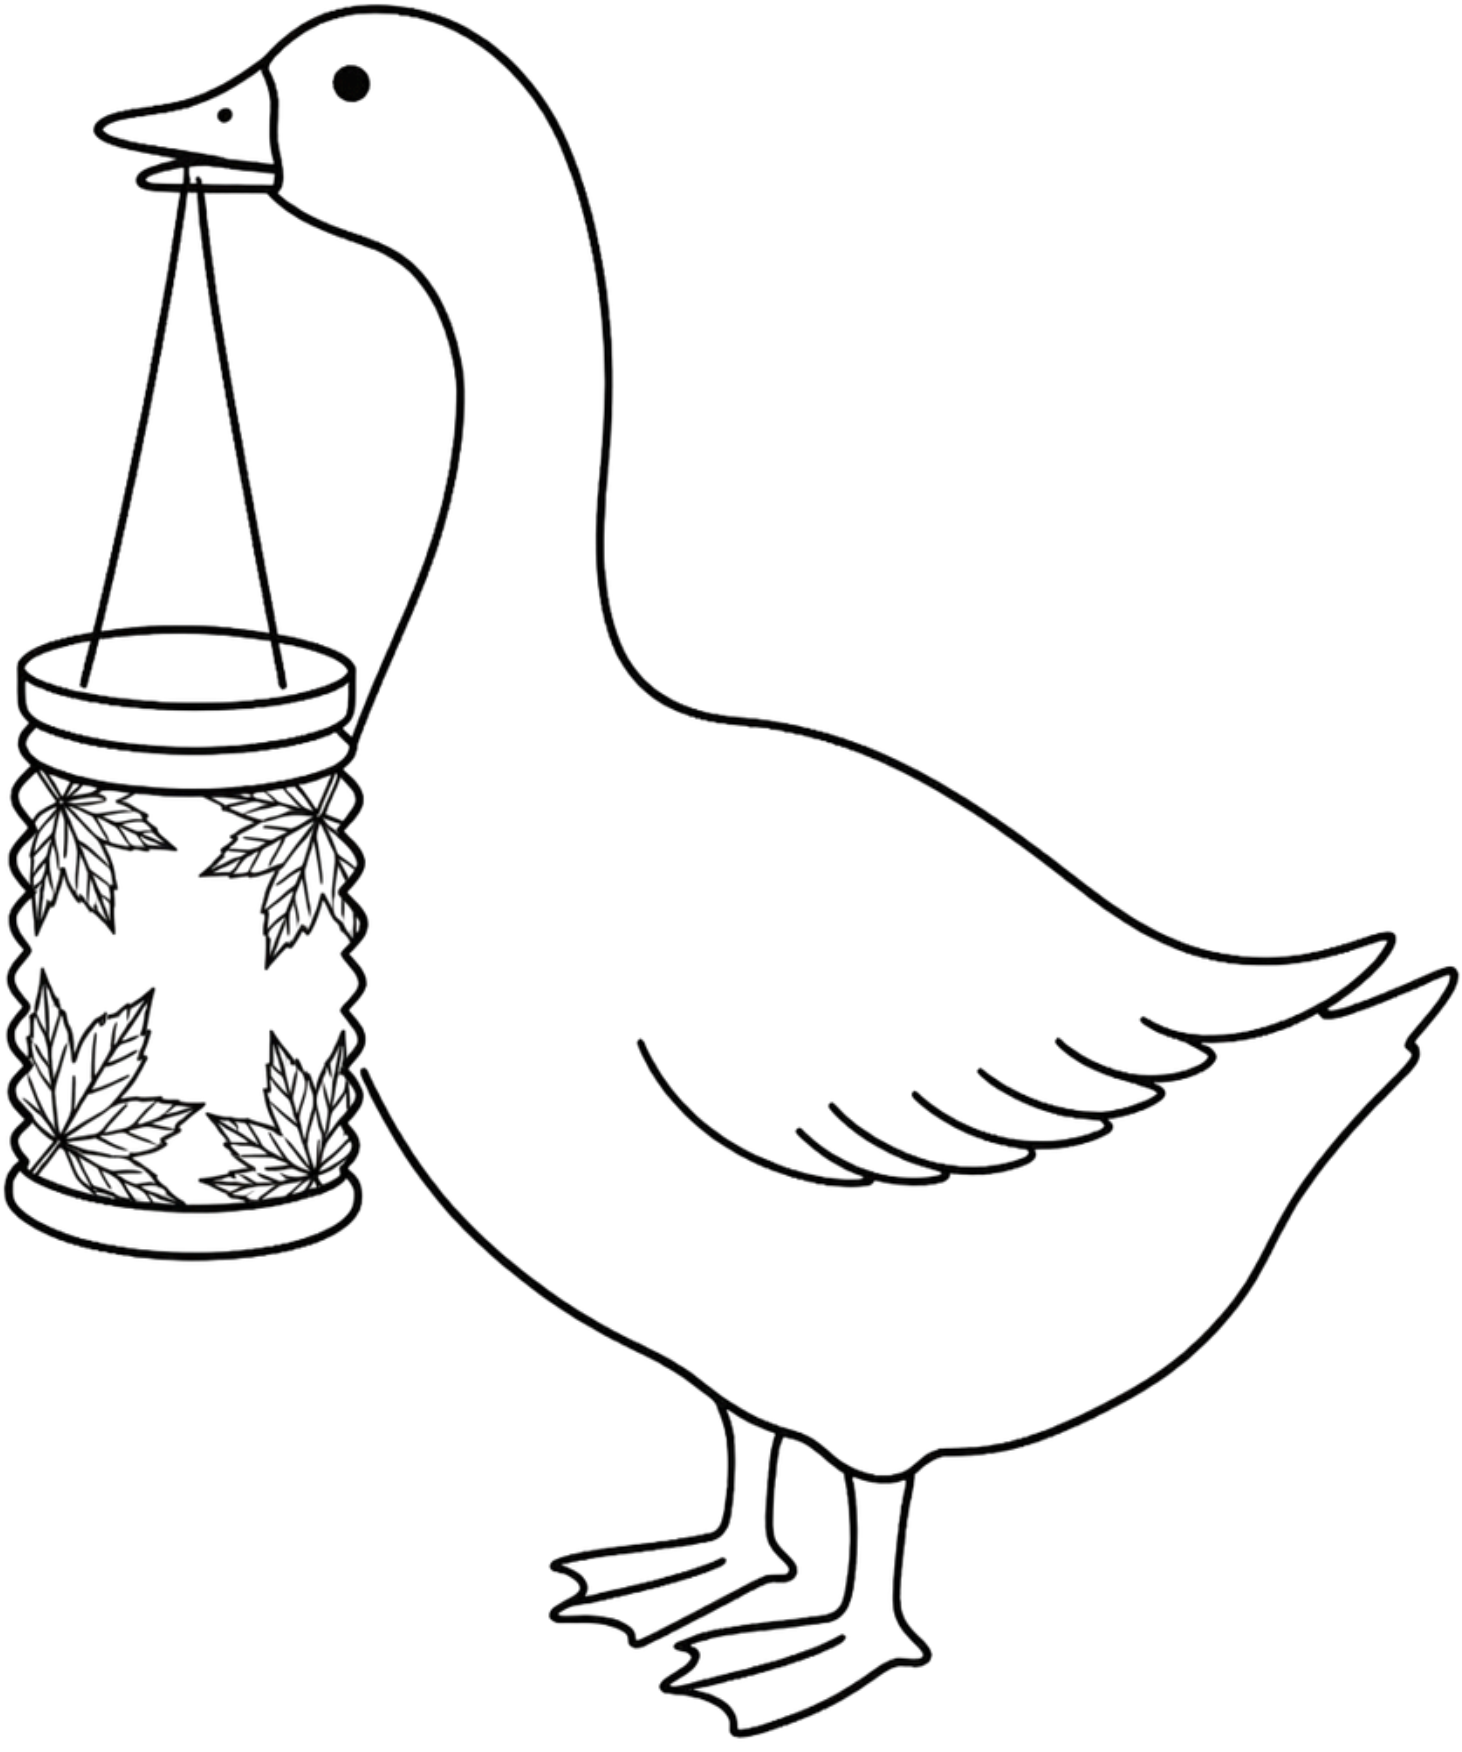

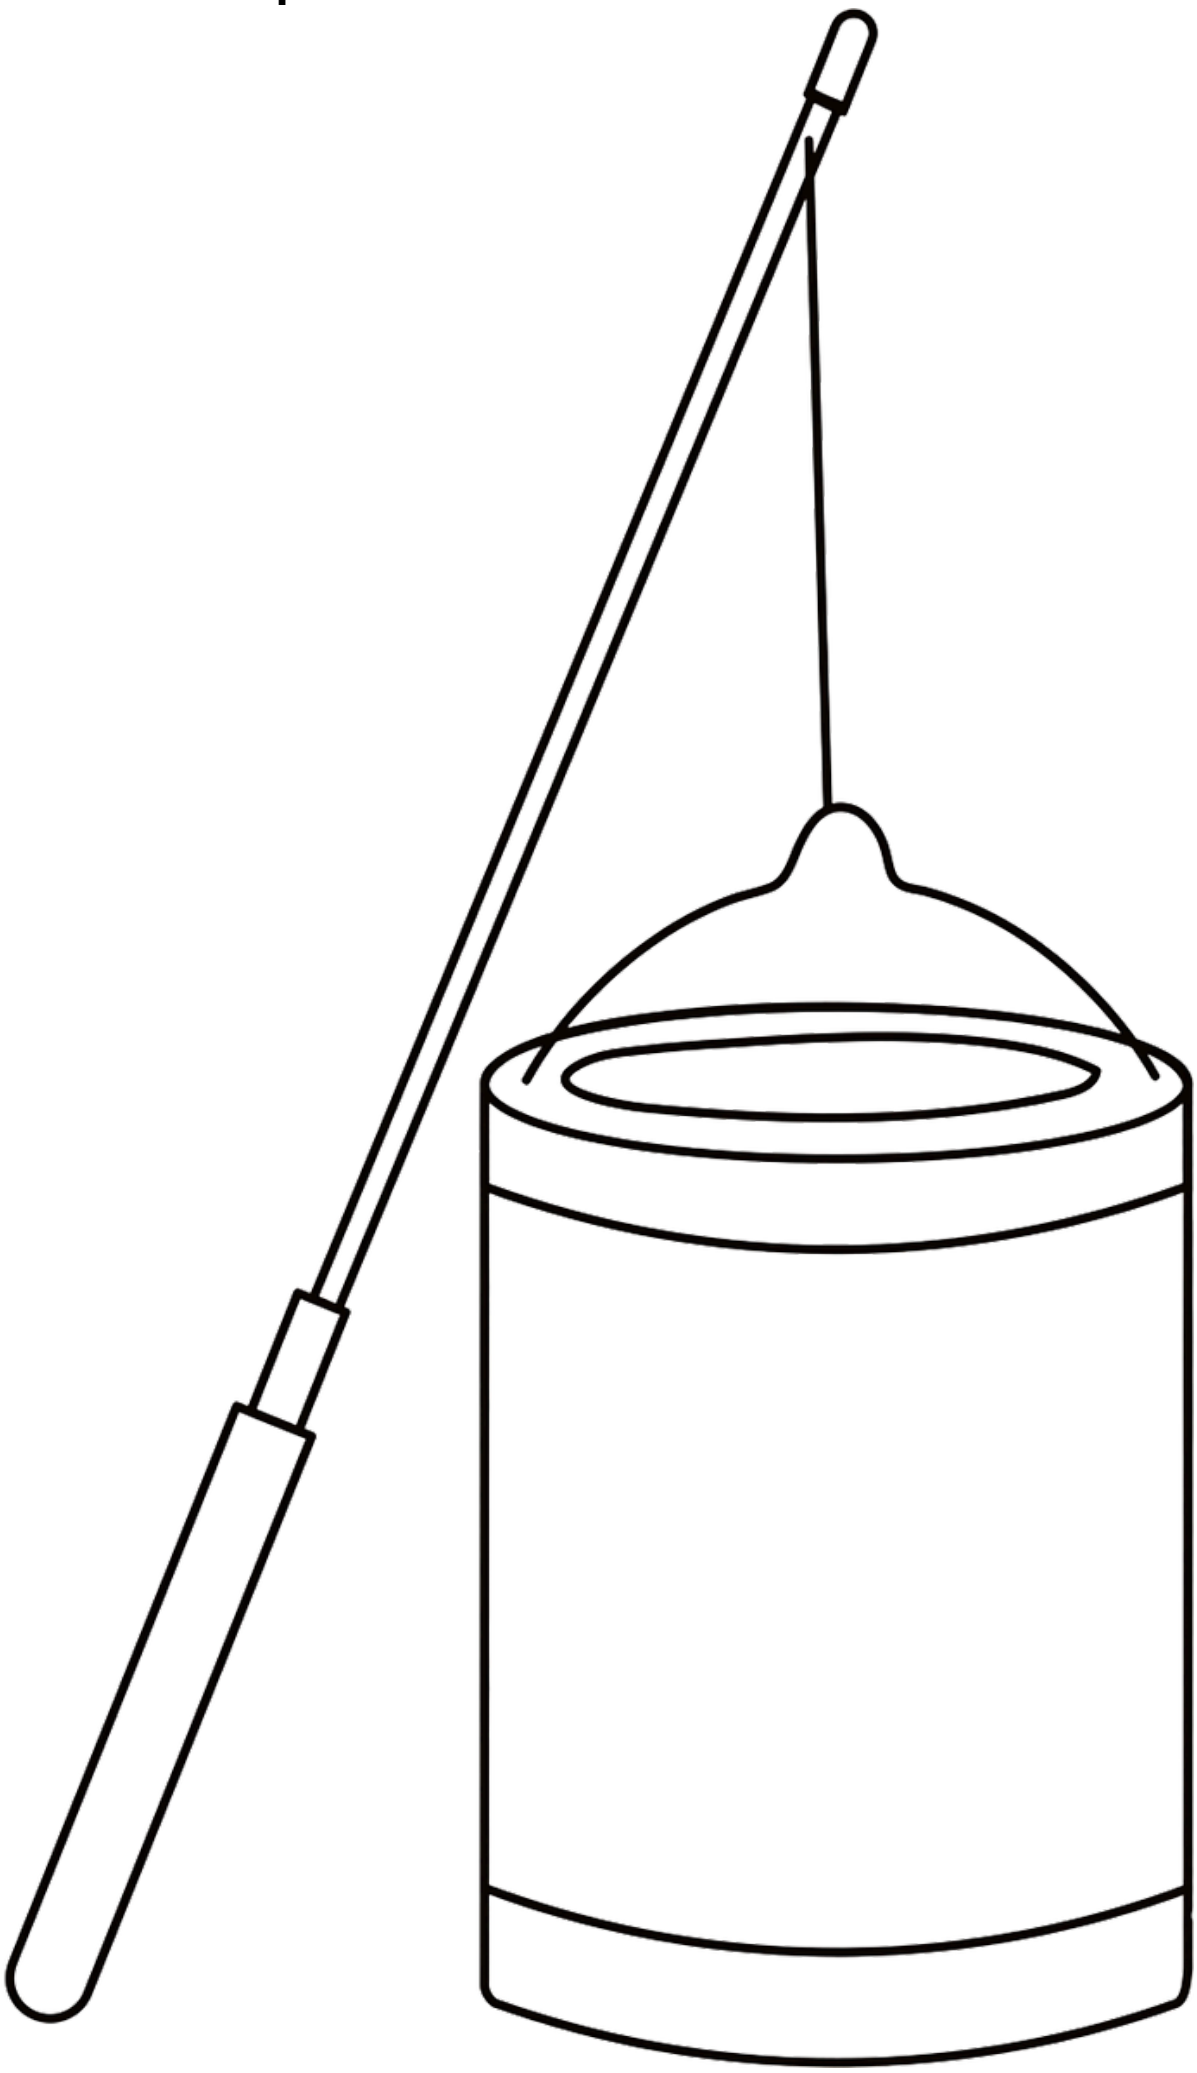

Díszítsd ki a lámpást!

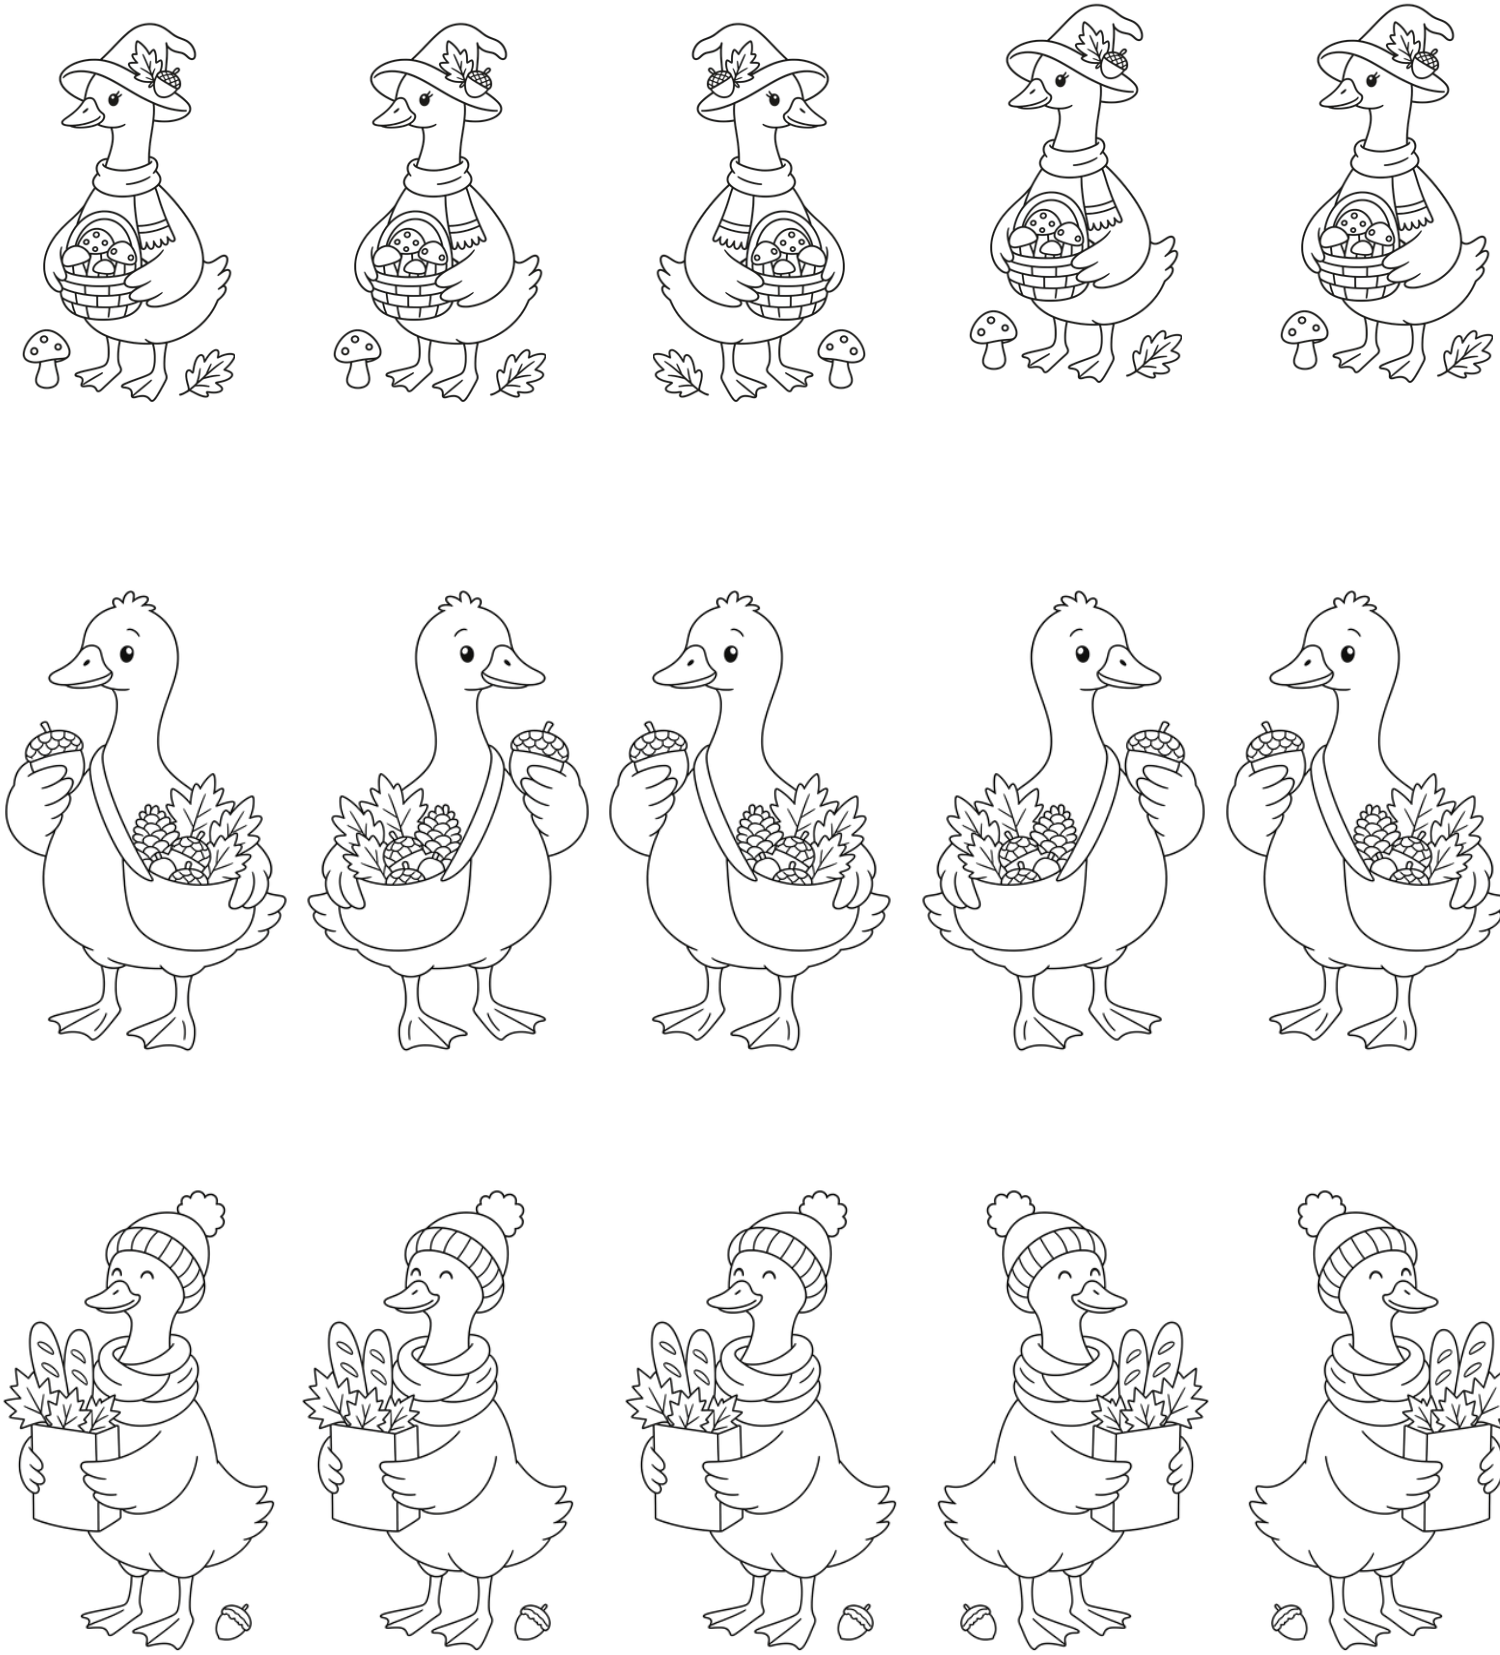

Segíts a kislibának haza találni!

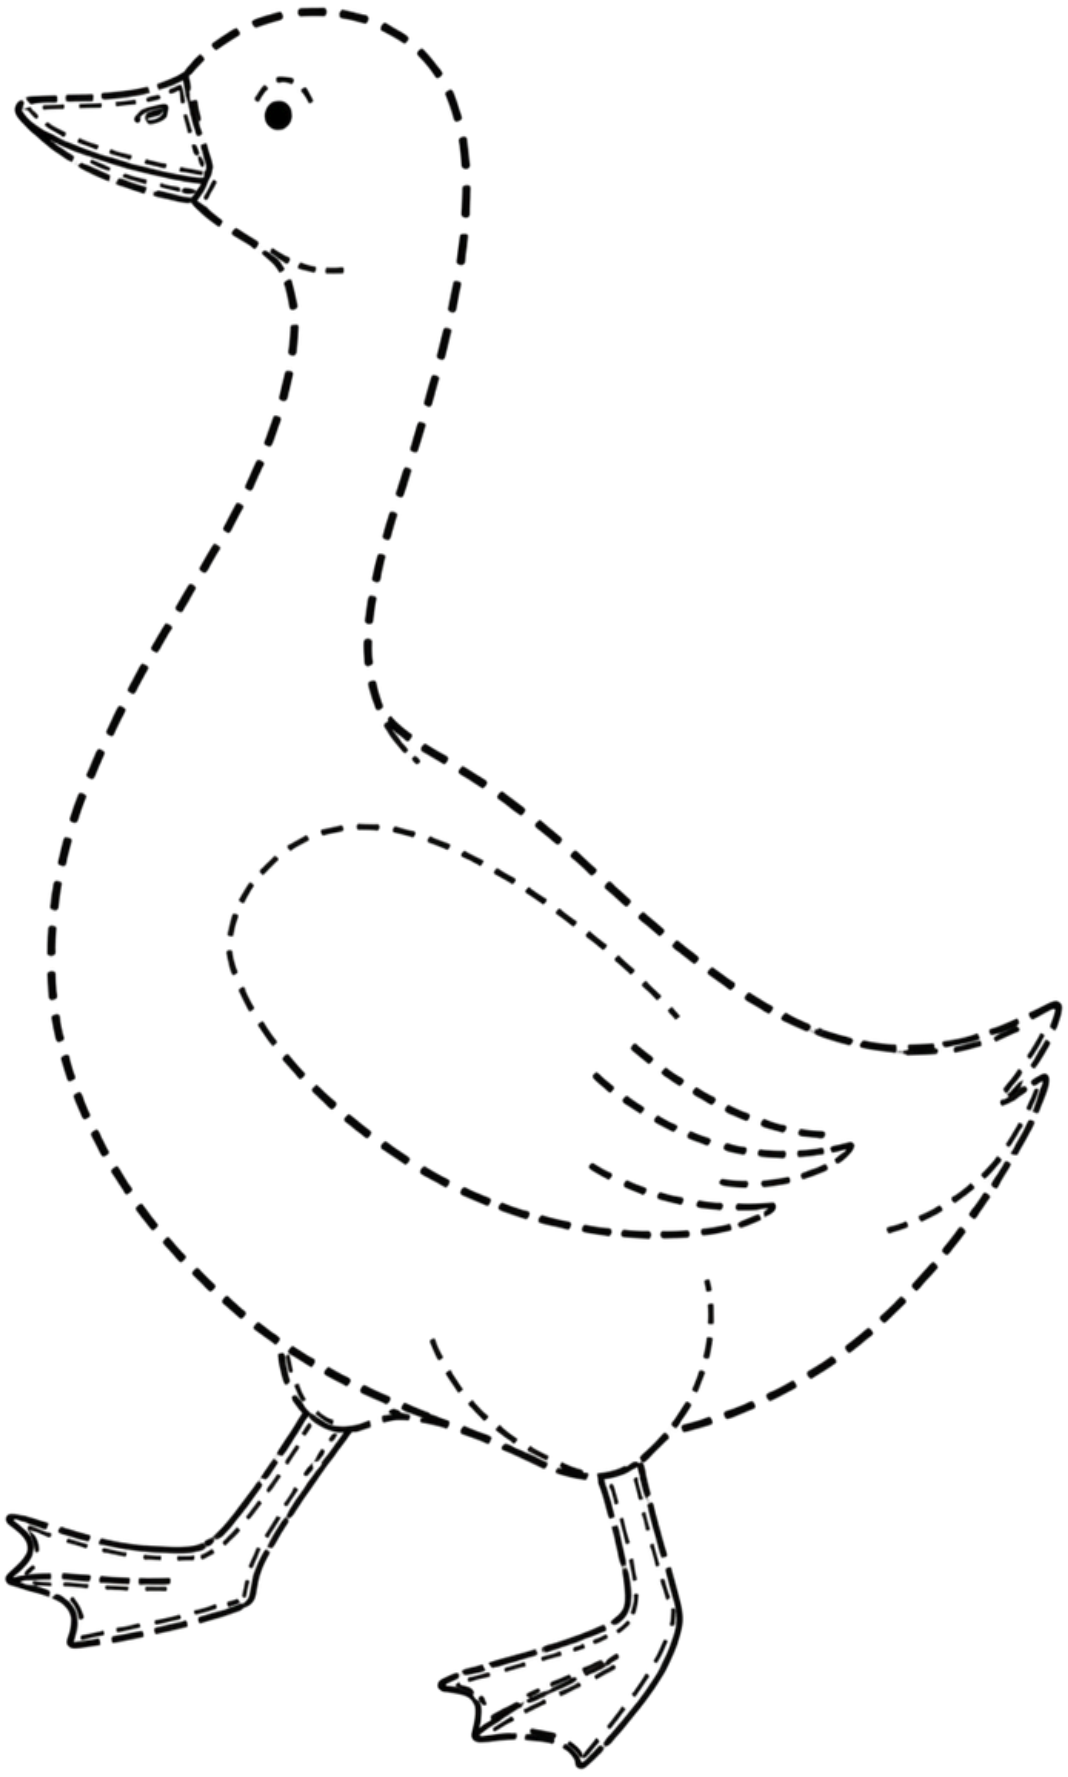

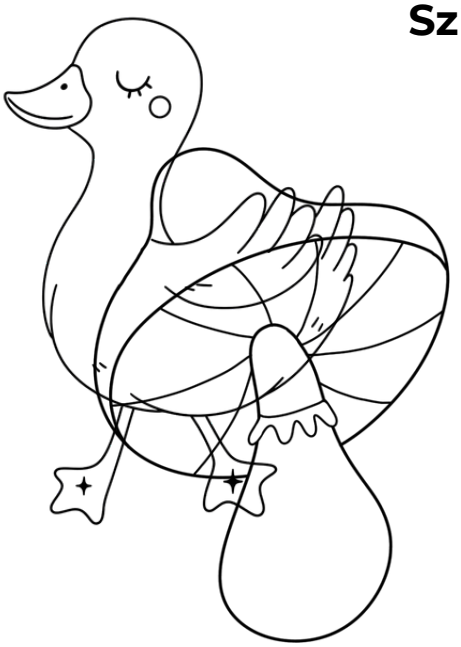

Színezd ki azt a libát, amelyik más irányba néz!

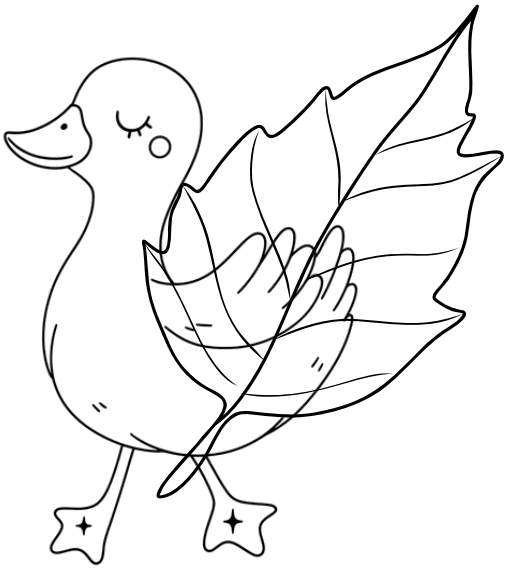

Kösd össze a szaggatott vonalakat!

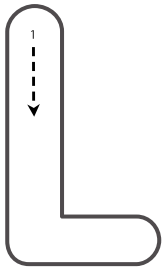

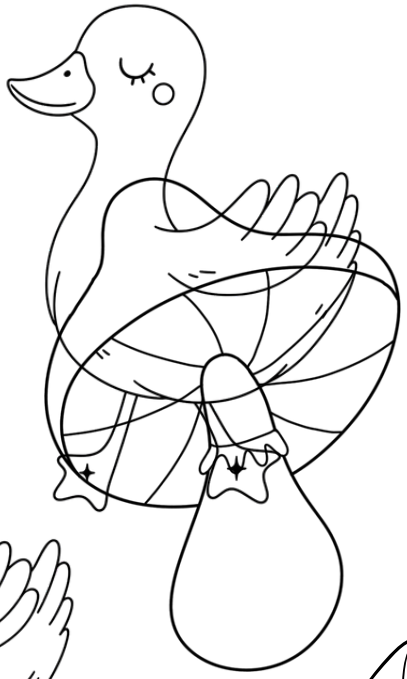

Hová bújtak a kislibák?
Színezd ki őket!

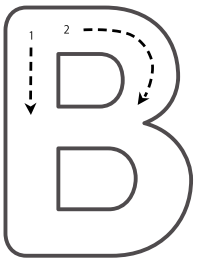

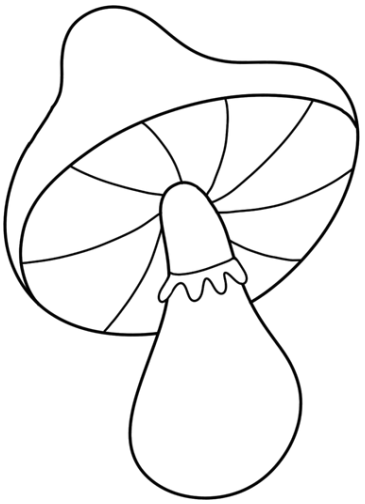

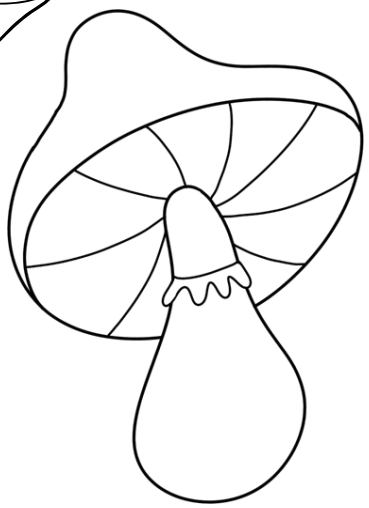

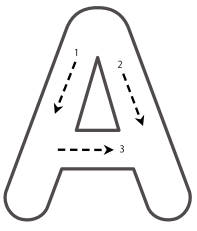

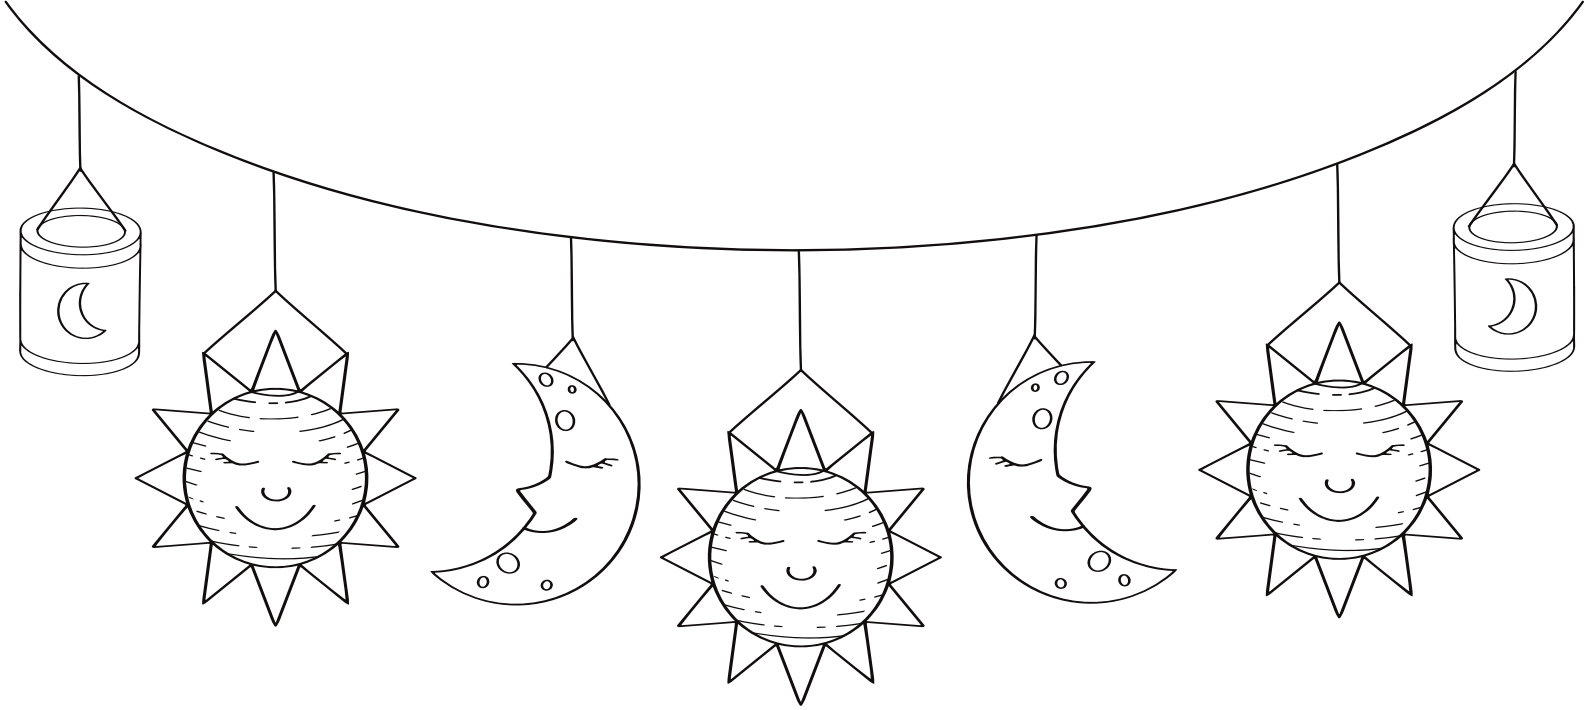

Novemberben, Márton napján,
liba gágog, ég a kályhán.
Aki libát nem eszik, egész évben éhezik.
